“ Just found out of Myrna's passing. She was a jewel in helping me when I began my journalism career. Her wit and knowledge was immeasurable. I saw her at Smokey Row a few weeks ago and it was great to visit with her. Blessings to her family.

“ Myrna started out as a client of mine. She (& Lyle) quickly became friends. I worked with her at the Oskaloosa Herald when I worked on their computers and then personally when she retired. Oh, the food that woman could cook! She was an avid reader and we had similar tastes so for awhile she was my library. She would lend me a stack of books and when I had read them, I would bring them back and get another stack. She will be greatly missed.

“ Myrna and I have become very close friends, over the many years that I've been cutting her hair! I always looked forward to seeing her, we'd talk about recipes, and anything that came to mind, she always asked about my kids! I will miss her so very much!
