“ I don't know where to start! I love you so much, Aunt Rachael! You were one of my favorite aunts and I will miss you! You were always so kind, loving, caring, thoughtful and a wonderful cook! You always had your door open for company with something wonderful cooking! I know you were ready to go meet Uncle Willie and Tammy Jo! I know the three of you are rejoicing together! I will always remember you and I will always love you so much! I'm so sorry I can't come back to say a final good-bye to you, but I know you would understand! Rest In Peace! Your pain and suffering has ended and you now live on! I love you, forever, Jacqueline
