“ So many memories of this wonderful lady. From the best neighbor anybody could have to a lady that was always there when she was needed. Doing Drill and memorial services for the Eagles. Hamburger nights, working at the fair stand, staying out of trouble at state conventions. She certainly did it all. My family was very lucky to have known such a True Lady and lucky to be able to call her our Friend.

“ So many memories from childhood days when Pam and I were playmates and friends, into working at the hospital when she did. Often times, Pam and I would go have lunch with our moms at the hospital when we were kids. I was always mesmerized by how incredibly fast she typed! She and mom have been friends forever! Anita always had a great smile and we visited each time we would run into each other. Great lady, you will be missed. Hugs to Ron, Debby, Pam and their families.
