“ I remember at age 10 visiting my Grandma Mary with my mom (Patricia Eash) to play cards. Arlie would have been about 16 at the time. We would sometime play 10-point pitch where you call for your partner. I will always remember my Aunt Arlie's gentle laughter and enjoyment of quality family time. Arlie really enjoyed her Coca Cola. Those were good times!

“ I had the honor of standing up with Arlie when she married Roy. She was as giddy as a school girl and giggled happily at becoming a Godly wife to a Godly man. She was tiny but could be mighty. Her love for her children and grandchildren was only exceeded by her love for Jesus. She was dedicated to her Lord, to her husband,, her family, and her recovery. Fly free and in perfection sweet sister!

“ Such a lovely lady. She was simple and kind, loving everyone, but most of all her God. Always grateful and thankful for even the littlest of things. She will be deeply missed.
