

Bill Akason

November 3, 1940 - April 27, 2026

Bill Akason, 85, of Oskaloosa passed away Monday morning, April 27, 2026, at UnityPoint Iowa Methodist Medical Center in Des Moines, Iowa.

On June 1, 1968, Bill married Melba Mendenhall at College Avenue Friends Meeting in Oskaloosa, IA. They had three sons, Philip Andrew, b. 1969; Mark Olaf, b. 1971; and Joel Allen, b. 1975. Bill was also a proud grandfather to six granddaughters and one grandson.

William Burton Akason was born on November 3, 1940, in Halstad, Minnesota, the son of Esther and Martin Akason. He sang his first public solo as a second grader in the Sunday School Christmas Pageant at Halstad Lutheran Church. He joined the adult choir as an 8th grader. After high school, Bill continued with music at Concordia College in Moorhead, MN, graduating with a Bachelor of Music degree.

He began his music teaching career in Aitkin, MN. This experience solidified

his love of teaching music, which led him to pursue his master's in music from the University of Iowa. He then began his 34-year career as a choir teacher in the Oskaloosa School District. He retired from teaching in 2000.

Bill was an active member of the music community in Oskaloosa for many years. He proudly served for 38 years as the choir director at the St. Paul Congregational Church. Bill loved to refer to them as his "little Mormon Tabernacle Choir." After retiring as the church's choir director, he continued to share his love of music by singing in the choir and men's quartet at the Central United Methodist Church. Bill also enjoyed being a music accompanist for his friend, Twink Vatter, at the Presbyterian Church. He participated in the Oskaloosa Community Theater throughout the years. His favorite role was as the Rabbi in the musical Fiddler on the Roof, where he enjoyed entertaining the audience with his creative blessings.

Bill was a life-member in the Iowa Choral Directors' Association (ICDA). He held various board and committee positions and enjoyed participating as a judge in state-wide singing competitions.

Bill was an avid reader and passionate supporter of the Oskaloosa Public

Library,
serving in many volunteer roles throughout the years. He also believed
strongly in every
individual's right to vote. He proudly served as a lead voting precinct volunteer
at Grant
Elementary School.

Bill enjoyed traveling throughout the world with family and friends. One of his
fondest
memories was of riding a camel in the African desert. Bill and Melba loved
traveling
together to Alaska. After Melba's passing, Bill continued to visit the state
frequently. His
travels also enhanced his love of genealogy as he visited many locations
throughout the
world from which his ancestors originated. Bill's family is now well equipped
with many
folders of genealogical information.

Bill took great joy in following his grandchildren's lives. He carefully kept track
and often
reported out on their activities, making every effort to show up, whether in
person or
virtually. His presence and engagement with the family remained until the very
end.

His family includes his son Philip and wife Ginger, and their daughters, Logan
Daniels
(Will) and Lindsey; his son Mark and wife Megan, and their children, Taylor,
Lauren, and
Will; and his son Joel and wife Beth, and their daughters, Brenna and Morgan.

In addition to his wife, Melba, on January 30, 2010, Bill was preceded in death by his parents, his stepfather, Norman Aamodt, a brother, James, and a stepsister, Lois Kuhn.

Memorial services for Bill will be held at 10:30 a.m., on Saturday, May 23, 2026, at the Central United Methodist Church with Pastor Jihoon Lee officiating. Burial will be in Forest Cemetery. The visitation will begin at 11 a.m. on Friday at Langkamp Funeral Chapel; the family will greet visitors from 5 to 7 p.m. Memorial contributions can be made to the Oskaloosa Schools Vocal Music program and Central United Methodist Church.

I like to think we had a special connection over the years and I will miss him terribly. Had just seen him the week before and he was always happy to see you and full of optimism! “ As the son of Beverly Akason Ditmer and the grandson of Elmer Akason, I sought out Bill in 2018 after my mother passed. Bill provided me with family contacts in Norway that I have now twice visited. He provided a wealth of other family history as well. I cherish that afternoon spent in his Oscaloosa home.

“ *My condolences to you all. Mr Akason was my favorite teacher of all time - because he saw me and encouraged my love for music. I wasn't brave for many teachers, but with him, I could try new parts of music and played my first piano accompaniment in public. I treasure my time under his instruction and always will.*

What a great man, he built my confidence more than I think any teacher or instructor ever did at such a important time in life. He was my choirs director from 7th to 9th grade. Many funny unforgettable memories. The patience this man had was out of this world! Rest in Peace Mr. Akason!

“ *I was privileged to have Mr Bill Akason as a choir director in middle school, but what I remember most about Mr Akason is the feeling that he gave me after only knowing me one day of choir... he took me off guard in the hallway when he saw me and said my name with a smile on his face- like I was a friend & he was glad to see me. In his presence- no matter who you were - he made you feel like you were part of his music family. Even years after graduating he would always say hi when he saw me. I feel blessed to have been part of his music family at oskaloosa junior high. If I even make one student feel like I did when I saw him I've done my job as an orchestra teacher.*

“ I was honored to meet Bill at the Election Precinct Ward 4. We had just moved into the ward so this was our first time voting at Grant. Believe me, Bill definitely had things under control. When the next election came I found myself as a volunteer and working with this marvelous human. I learned a lot from Bill including his wonderful sense of humor—put to test following closing of the polls. It was a requirement that the election materials be returned to the court house and accounted. A Democrat and a Republican were to take the material back. I told Bill we could load the stuff into my pickup, take it back and then I would bring him back to get his vehicle at the Grant building. Now it being late at night and B Ave E being very dark, I pulled into the driveway and Bill started laughing—took me a bit to realize I had missed judged the driveway and we were headed straight for the front doors on the SIDEWALK. Thereafter, he always drove us to the courthouse. If I volunteered, Bill would just look me in the eyes and laugh. I’ll miss him. RIP.

“ *What can I say about Bill Akason? He was such a wonderful person to be around, and he had a lovely singing voice. My best Bill story is when I ran into him in Hy-Vee about a year after Melba died. He called me over because I am a 'Home Ec person,' to ask me a food question. He was regularly making ham steaks for dinner and was browning them in a skillet. He wanted to know if there was another way to brown them. I told him he could use his broiler, and he asked 'what's a broiler?' I tried to explain what and where it was, but I finally told him he should just keep browning the ham in a skillet since that was working just fine!*

My sympathies to his family and friends; the world is lonelier place without him.

“ Bill was our choir director when I pastored First Congregational UCC. He was such a talented musician, colleague, and friend. We have kept in touch with each other all these years, which has been a blessing. I am truly heartbroken that he is now gone, but I know he is at peace in God's eternal realm, reunited with Melba once again. My heart goes out to his family. Rest in peace, my friend.
