“ *Breanna and I went to Osky Christian School together. I remember having fun sleeping over at her house. We reconnected via Facebook several years ago--I was going through a difficult time and she was always such a sweetheart and an encouragement to me. I do/will miss her, but I am glad she is well and with her savior. I'm praying for her family--I can't imagine the grief you all feel.*

“ After Uncle Jim's funeral in June, I told Breanna her name was still on our phone messages from when she stayed with us for awhile during College at Iowa Western. She replied "See I really am Uncle Jim's favorite niece, but don't tell the others!" I know they are laughing & celebrating together but we will miss both of their smiles.

“ Breanna was such a special person. I am heartbroken for Eric and her sweet children. She was so young but God wanted her to go to her everlasting home. “ *My prayers and sympathy to your family at this sad time. When Breanna was a little girl we went to the same church. I always sat a little behind Tim and Pam. Breanna would sit between her mom and dad. She always had the cutest dresses on, Her big brown eyes would shine. She sat quietly in church reading. I became friends with Breanna on Facebook. She was always so inspirational and positive. Her family pictures they just had taken will be treasured by her children forever. I will continue holding you all up in prayer each day.*
