“ *I worked with Carol Jean at Mahaska state bank and Midwestone Bank. You cannot ask for a more devoted employee but even more important, you couldn't ask for a better person to be your friend. I will always Remember how positive Carol Jean was and she always had a beautiful smile! I feel privileged to have known this beautiful woman!*

“ Carol was one of the friendliest people I ever knew. Even before I worked at the bank, I always hoped I would get her when I went through the drive-up.

Carol was one of the friendliest gals at the Bank. My husband worked with her in the proofing department for a few years. My sympathy to you Larry.
