“ Thinking and praying for all the loved ones of Charolette. I had the pleasure and fun of working with Charolette for many, many years at Pella. She was a fun, crazy lady she always made me laugh and smile! We met a few times for breakfast or lunch after I retired and I always enjoyed our times together! Charolette and I had a absolute love for cats in common, we talked about our cats like they were our kids. She will be missed but not forgotten!
