“ *We wish to offer our very deepest condolences to you Ken and your family. I have memories of Darlene from Osky Christian grade school. I remember Darlene as a very first gal who always stood her ground. We had good times on the playground. I'm sure she will be missed. Praying for God's blessing and that you will feel His comfort during this difficult time. Don & Carol Houk*

Thank you, Don & Carol.

I and our children are thankful that although Darlene was very sick with the cancer, her pain was controllable until the end. We're most thankful for the assurance that she is now with her faithful Lord and Savior, Jesus Christ. I am really missing Darlene, but all our earthly lives have an ending, so I know that I will be seeing her again when the Lord says it's time for me to come Home. Ken Roozeboom
