“ *Uncle Darrell came out to the farm and helped frequently when I was a kid. He was always welcome help but his infectious good humor was even more looked forward to. I remember getting caught in a rain storm while plowing with him on in a field not too far from the house. We got pretty properly soaked on the way back and pulled on the yard laughing at the adventure. He gave me my first .22 when I was maybe 13. A kid never forgets that. We hunted squirrels in the pasture and he finally shot one and we brought it back to the house to skin and eat. I remember him saying 'I think this think is old enough to vote' and we had a laugh at that. He gave me his used erector set somewhere along the line and I never forgot that kindness either. Best to Aunt Joyce and to Bruce and Brenda. I don't have to tell you that you had a wonderful father.*

“ *Darrell waited on me at WG furniture when I was only 16. I bought Mom and Dad a recliner and end tables. I went in each week to pay and he always had a smile. Great guy and will be missed by many.*
