“ *I knew Dave back in the day when he worked for Fitch Co., and also had him work on some Kohler blocks for me over the years at his house. I went past the house in Beacon this summer and thought, "I ought to stop in and say 'hi' if he still lives there, but I wasn't sure, so I didn't. I guess good intentions are not good enough. Dave was a great guy, and always easy going. You have my sympathy.*

“ Dear Aunt Phyllis, Beth and family, and Bruce, We were so sorry to hear about Uncle Dave s passing away. It is always hardest on those left behind. I will always remember his ornery sparkle in his eyes. He Was a man of few words but also a great listener. We will be with you in spirit in the coming days. We love you.
