“ *Dink my nephew was always a happy go lucky kid, love to play jokes in you and that was right up his grandpa's alley. He could get by with alot from his grandma as she loved his blue eyes and golden blonde hair. He and his uncle Gary and his brothers came running into my house while having a water gun fight. Needless to say the aunt wasn't happy with the event but seeing them all act like children even uncle Gary now deceased could not get enough fun with them. We love you Dink, you are always loved ❤️❤️❤️*
