*Please accept our condolences for the loss of your Mom, Grandma, Sister & so many others . We are so thankful Donna & Mike brought Michelle into this world and shared her with our family as our daughter-in-law. She makes our son complete and we couldn't have asked for anyone better. When times get hard, and they will, ask yourselves "What would Mom have done?" You will then, have your answer. Losing a loved one is very difficult, but learning to live without them is even harder. But, Donna raised a great bunch of kids and they will always have the memories within their hearts.*
