“ *Edith was married to my cousin Danny so I have known her all my life. She was a beautiful lady and I enjoyed visiting her at her dream lake house. She always smiled. I missed her when she was no longer in Iowa. Rest in peace Edith, you always had faith.

“ *Edith was a great lady and a good friend when she lived in Oskaloosa. I also knew her as a child growing up in Eddyville. Her and I just clicked and I loved visiting with her. I hope she was with family and had lots of love in her final years. I will see you again my dear friend. RIP Edith .*

I remember Edith, she bowled years ago before leaving Oskaloosa. I would also talk to her when she worked at Walmart. Very nice lady loved our visits.

Seems like I knew Edith forever. We lived on South 11th on the corner and Edith and Danny moved in on the other corner. Baby sat Jerry and Dennis before they moved to Ottumws. Then they had Les and Becky there. Was at Knoxville race track the night Danny's race car #104 went into the corn bin (never been so scared) as Edith and I ran across the infield to get to him. Was so sorry to hear of her passing and sure don't want to miss the grave side service. Her family has my deepest sympathy.
