“ I was in awe of Georgia's ability to play hymns on the piano. She was our first pianist for services here at Crystal Heights, but would sometimes just sit down at the keyboard and play for an hour. So humbling to see her share her special gift. I know she played for services in Des Moines as well and of course at GNC.

“ *Naomi, I spoke with your mom a few months ago. We had to figure out if we were related or not because she was speaking about Carol Ann . Your mom was speaking about Carol and Goldner who lives in Cedar Rapids and she is relation to me. But we figured it out on the phone that these two people who were married, she was relation to the wife and I was relation through the husband. Your mom was a very resilient lady, and a very kind lady. I will remember you in my thoughts and prayers in the coming weeks.*
