After Ginny passed away on March 21, 2020, traditional services were not possible due to COVID-19. A burial service including only immediate family members was held at that time.

Ginny's Celebration of Life service will be livestreamed; to attend virtually, please Click Here (<https://sites.google.com/view/in-memory-of-ginny-foster/home>) beginning around 9:45am on July 25.

Due to current COVID-19 restrictions, a very limited number of family and friends will be attending in person. The broadcast of Ginny's service will be available through Facebook Live on the Oskaloosa Central UMC page, and also accessible via the link above. You do not need to have a Facebook account or log into Facebook to join the livestream.

Ginny Kay (Perdue) Foster, 61, a life-long resident of Oskaloosa, passed away Saturday, March 21, 2020, peacefully, surrounded by her family at the Mahaska Health Hospice Serenity House in Oskaloosa.

Ginny Kay Perdue, daughter of Charles Emery Perdue and Dorothy Fern Reitzel, was born on December 16, 1958, in Oskaloosa, Iowa. Ginny graduated from Oskaloosa High School in 1977. She attended Pittsburg State University, where she ran track and graduated with a Bachelor's Degree in Education. She married the love of her life, Michael Bruce Foster, on January 12, 1979, at Central United Methodist Church in Oskaloosa.

Ginny's true vocation in life was raising her five children with Mike. The family made camping trips from coast to coast, including many to Rocky Mountain and Grand Teton National Parks. Ginny was also known to many as a devoted educator, teaching Physical Education and Health, as well as other subjects, at Oskaloosa High School for nearly 20 years. While balancing a busy parenting and teaching schedule, she earned a Master's Degree in Education from Viterbo University. She was a longstanding member of the Central United Methodist Church, as well as a member of PEO Chapter X.

In January 1998, Ginny was diagnosed with an aggressive, stage 3 breast cancer. At that time, her five children were all still at home, ranging in age from 17 to 8 years old. When told her odds of surviving five years after standard treatment, Ginny told the doctor, "That's not good enough."

Ultimately, Ginny chose a more aggressive treatment at the U of I Hospital that offered a better chance at surviving the ten years until Ginny's youngest child would graduate from high school. While that treatment nearly killed her and recovery required about two years, Ginny then enjoyed almost 20 years of productive health, surviving to see her children finish college and graduate school, marry, and have 11 grandchildren.

Ginny was able to travel to all fifty states with Mike and lovingly craft a quilt for each of her children and grandchildren (the last one finished just days before her passing). She embodied one of her favorite Bible verses written on each one of her grandchildren's quilts: "Be kind to one another." (Ephesians 4:32). Ginny's last years were marked by the "late effects" of the aggressive cancer treatment, and while she had long-term damage to many systems in her body, it was ultimately damage to her lungs that caused her death.

Ginny's family includes her loving husband of 41 years, Mike Foster of Oskaloosa; her children: Rebecca and Jay Bock of Oskaloosa; Kristen and Chris Fink of North Macedonia; Michelle and Nathan Lahner of Oskaloosa; Daniel and Amanda Foster of Oskaloosa; and Timothy and Katie Foster of Canyon, TX. She was blessed with eleven grandchildren: Ezra and Leah Bock; Jackson, Gemma, and Delia Lahner; Norah, Bennett, and Hazel Foster; and Lydia, Ingrid, and Josephine Foster. She is also survived by her three brothers: Charlie Perdue and Mary-Lucille Mantz of Overland Park, KS; Tom and Freda Perdue of Ogden, IA; and Dave Perdue of Lake Ozark, MO; as well as her stepmother-in-law Theresa Foster, and many cousins, nieces, and nephews.

Ginny was preceded in death by her parents, father-in-law Jackson Foster, and mother-in-law JoAnn Snowbarger.

Due to public health restrictions, memorial events will be curtailed significantly. Visitation will be 10 am to 6:30 pm, Monday at Langkamp Funeral Chapel. Family members will not be present, and the number of people allowed into the chapel at one time will be subject to state limitations. A private burial will be held Tuesday.

Again, due to public health considerations, please no floral arrangements should be sent to the funeral chapel or the family's home. Instead, to honor Ginny, please make memorial contributions to the Central United Methodist Church or Mahaska Health Foundation for the Hospice Transitions Program at Mahaska Health Serenity House.

Our love and prayers go out to the entire Foster family. Ginny was such a kind and wonderful friend to us when we came to make our home in Oskaloosa in 1996. Tho it turned out to be only two years Ginny and Mike connected with us immediately. We exchange cards and letters and occasional visits and calls over the past 22 years. Always picking up like no time at all had gone by. We love you all.

I send my heartfelt condolences to the Foster family. I met Ginny when we were teenagers and I admired her kindness, athletic abilities, and patience with three older brothers. More recently I was pleased to do some subteaching for her when her mom Dorothy died. During that time my son was in her health class and that really pleased me because Ginny was a gifted teacher who realized the importance of health and well being. I knew she fought with cancer and carried on with astounding strength to be the pillar of a big beautiful loving family. I especially think of Mike and how deeply he will miss her. I had the pleasure to meet their son Tim and hear him sing in Italian. He is kind and talented much like Ginny. RIP dear one.

“ I am so saddened by the loss of Ginny but am comforted knowing she was able to see her children grow into wonderful adults and parents of their own. I had the honor of knowing Ginny as long as I can remember since she and her brother Dave and I grew up together. And Mike was a neighbor for years. When I think of Ginny, I think of her kindness, radiant smile, driven spirit, and passionate about her family. Mike, I saw you in action with her a year ago. You took such great care of her through this journey. You are a truly good man. May God bless you and your family. And may God rest Ginny's beautiful soul. Steve Moore

“ Ginny has been my favorite cousin throughout my life. I have many wonderful childhood memories of Ginny, my sister Beth, and I growing up together meeting over the years for visits in Oskaloosa and here at the lake. In our adult years, Ginny and I have become even closer. I have enjoyed hearing and seeing all of you, Rebecca, Kristen, Michelle, Daniel, and Timothy, grow up, marry, have children of your own, as my children, Jessica and Tom, have grown up. Ginny and I have had many phone conversations and face to face visits "catching" each other up with the news of our children. Such fun times, we have had, meeting with our children, taking our mothers, Dorothy and Norma, for family history hunts in and around Osceola, Iowa, cross stitching and quilting together. I will miss her, however, I am content that she can now rest easy with, our Lord and Savior in heaven.

“ Ginny was such a good person, a great wife, mother and grandmother. I just saw her a few months ago at the doctor's office with her husband. She was a pro on that scooter, might even have been speeding a little! Lol. Ginny was loved by the students she taught, and will be missed by many.

“ *I have such wonderful memories of Ginny from 6th Grade through High School and as a neighbor. We laughed a lot!! Most memorable is the hour I spent with Ginny, a few years ago, before our 40th Class Reunion. We drove around Oskaloosa, as we reminisced about our younger days and caught up on our lives. Her love for her family, Mike, children and grandchildren came pouring through our conversation. What a blessing you all were to her and what a blessing Ginny was to all that new her! She was a loving, kind and strong woman!*

God Bless You All! May you find comfort in all your wonderful memories!

“ I have many wonderful memories of Ginny be helpful with my post cancer fears and concerns. She spoke my language. I will also remember riding back from lunch during professional development days. Ginny was a very aggressive but safe driver cutting through streets to avoid turning left at A Avenue! The memory makes me smile as I write it. My sympathies to all.

“ So many memories I have of Ginny! She was such a great mentor and colleague and an even better friend. She had the best listening ear and always gave honest advice. I loved hearing of her stories from her life; growing up in Osky, her and Mike and she always had something to say about her kids! She was such a proud mother and grandmother! How lucky her family is to get to hear all of these amazing things and know that she was truly one of the bests. I will miss her beyond measure and will be praying for strength and guidance for you all during this time and the days to come. I love the thought of her taking a huge breath of relief once entering the gates and being reunited with loved ones lost and I also imagine she is running laps! <3

“ I met Ginny in Jr. High. She was a person with a heart of gold, a smile that would show others she was loving, caring, and kind, and patience to listen and help solve things. A woman full of determination and strong will. She knew God and trusted in Him. He blest her with a loving husband, beautiful children, and even grandchildren to adore and enjoy. Heaven has gained a tremendous person as we try to say goodbye through our tears, yet joy for her. May God grant you, Mike and family, comfort and peace in the many days ahead. With my Sympathy,

Our family sat behind Ginny Perdue/Foster family in church for countless years. We could always see the love and pride she had for her parents, siblings, kids, and grandchildren! Thoughts and prayers go out to her family.
