

Harry Lamb Ogg

July 24, 2016

Harry Lamb Ogg, 62, of Oskaloosa, Iowa, passed away peacefully in his sleep on Sunday, July 24, 2016. Harry was born in Los Angeles, California, in 1953. He was raised in Santa Monica, California. Mr. Ogg is survived by his sisters, Susie and Cathy, both of California. Harry was loved by many and had a kind heart and a generous spirit. Harry's passion in life was being a ham radio operator, and was proud to have earned his amateur radio license in an era when demonstrating proficiency in Morse code was still a requirement. Now a "silent key", he will be greatly missed by many who came to know him over the airwaves. KE6IFB. A memorial gathering will be held in Oskaloosa in the fall. Garland-Van Arkel-Langkamp Funeral Chapel is handling the arrangements. Memories and condolences can be sent to his family by visiting the online guestbook at gvlfuneralchapel.com.

“ *Deepest sympathy to the family. Every time I heard Harry on the Breakfast Club net, I would get a chuckle, because his callsign was KE6IFB (I Found Breakfast) and every one on the net would put their orders in for a breakfast....Harry could whip it up in the virtual world ! We will all miss you Harry. God Speed OM.*

“ *Please accept my condolences. I talked with Harry quite a bit on the Breakfast Club Net. Whenever I checked in, he would key down and say "Mornin' Chester! Chester is my Schnauzer, and Harry would get a charge when Chester barked back to him. I will surely miss him, and think of him every day. 73, Harry. didididahdidah*

“ My condolences on your loss. Harry was my breakfast club brother. His personality and enthusiasm was infectious, and Mr. I Found Breakfast served up many hot cup of ham radio coffee to folks all over this great country. Always wearing a smile, i was privileged to hang with him on the deck, pontificating the world about us. I will miss you my brother. Peace on your journey OM73
