

Jacqueline Ann Taylor

October 17, 1975 - January 16, 2023

Jacque Taylor, 47, of Oskaloosa, passed away Monday, January 16, 2023, at the Mahaska Health Hospice Serenity House in Oskaloosa.

Jacqueline Ann Taylor, daughter of Jack Myron and Pamela Ann (Levernier) Taylor, was born October 17, 1975, in Oskaloosa. Although Jacque was diagnosed with a heart defect at an early age, she lived life to its fullest. She held various jobs throughout her life and excelled at operating computers. She loved music of all types and was devoted to her pets. She wore her heart on her sleeve for any needy person or animal, and was always willing to lend a helping hand. She loved to keep busy, and it was not unusual to find her creating something in the kitchen or helping in the garage, fixing a car. Jacque also enjoyed gardening and took pride in her tomato crop. She will be remembered as a devoted daughter, always loving and caring to her parents. Her family includes her parents, Jack and Pam Taylor of Oskaloosa; a brother, Bob (Gina) Carmichael of Clute, Texas; two sisters: Jill (Doug) Connor of Colorado and Jennifer (Derrick) Clark of Arizona; and a loving companion, John Ancell of Oskaloosa,

She was preceded in death by a brother, Rick Carmichael.

As was her wish, Jacque's body has been cremated. A Celebration of Life Gathering will take place later. Langkamp Funeral Chapel & Crematory has been entrusted with her arrangements. Instead of flowers, please make a memorial contribution to Mahaska Health Foundation for the Serenity House or to Stephens Memorial Animal Shelter,

“ *Jacque was one of the first little ones I got to babysit and I Loved her she was my little baby. Pam and Jack would let me just take her from the cabin and go play I often got to babysit her at her house as well I loved watching her Pam would let me give her a bath in the kitchen sink and then cover her head to toe with the amazing baby lotion. I would get her to sleep and then we would just rock I never wanted to put her to bed Jacque was such a happy baby and I always looked forward to our times together. Jack and PAM I am sorry for your loss of Jacque. Love you guys Ronda Trainer*

“*Jacque was so one of a kind, so special, and truly one of the greatest human beings I've ever known. She lived on her own terms. She gave without any thought of reward. She made you laugh. And if you were in with her, she'd stand by you until the end and never turn her back on you.*

Jacque succumbed to heart failure, but not before toughing it out further than any of us could imagine. I've never seen someone with such constitution.

I am so empty now without this person in my life. The void that her absence leaves is so painful that I can't even put it into words.

But I was blessed to have over 6 great years with her. I was hers; and she was mine; and I'm so very grateful for that time we had together.

Jacque, my love, we will find each other again. I miss you and love you so very much.

“ I can't believe a girl that beautiful didn't have a boyfriend or partner. Anyone who had talked to Jacque in the last six years knew that she did, ya know. And he wasn't estranged. Just saying.

“ *It would of been nice if they mentioned her fella of six years who stood by her side and loved her immensely. She would have wanted that wouldn't you agree? I mean she did like tomatoes, but I think I place a little bit above that...*

“ I will always remember meeting sweet little 10-year-old Jacque when we all lived in Pineville, Louisiana. It was so fun to have taco night with her and she was a best friend to our two kitties with whom she loved to snuggle. Lots of love and hugs sent to the family, with love from your Florida family, Scott and Sharon xo

“ Prayers, thoughts and sympathy to the family. The first time I met Jacque she was all bundled up in a snowmobile suit. She was going to drive the gorgeous 1964 GTO convertible with our Red Hat group in the Oskaloosa Christmas parade. Her and Jack had to put a step stool on the ground for us to get in the car as the side of the car was decorated. She was a sweetheart. She would bring sweet treats over to Pam's when she knew I was coming over. She sure had a green thumb and her tomatoes were big and so juicy. Fly high Jacque.
