“ I will miss you baby brother. I must set some things straight about this obituary. It has untruths and left out family and it upsets me deeply. Jimmy's last wishes were to be cremated and he wanted a celebration of life party on the farm as we did for Danny when he passed. We talked about it MANY times over the last 12 years. Jimmy's Heavenly Father was our Lord and Savior ...Jimmy despised his biological donor and wouldnt have wanted him listed. His Mother Elaine raised him. Im surprised how easily one can lie publicaly in an obituary and be ok with a Funeral Home and Church....my brother was not and has not been married to anyone for years. Jimmy had two uncles who passed away before him. Richard and Jerry Steinfeldt...his Mothers brothers. I wish someone would have contacted the family before this mostly untrue obit was written for my brother.

His other children Trevor Sielaff, Britney and Brenton and also his grandchildren Ava and Asher were left out. Jimmy considered them as his own. He loved them dearly !!!! He didnt move to Eldora...he was FROM Eldora and raised in Eldora. He never married Diane Thomas...THEY WERE NOT MARRIED...THEY WERE SHACKING UP TOGETHER...HE WOULDNT AND COULDNT GET MARRIED DUE TO HE WOULD LOOSE HIS DISABILITY.

She would loose her late husbands social security as well(if they were married..now I have to question that). Prove your married...let the family see the marriage certificate.

Jimmy was only married twice...to Diane, and Martha and he never lost contact with either. He loved his biological children, his step children and his grandchildren the same..they were all his pride and joy !!!!

IM SO UP SET ABOUT THIS OBIT AND ILL MAKE SURE THE TRUTH IS REVELED ! His family is hurting enough and this obit and the lies in it are only hurting everyone more. Not a very nice thing to do at all ! She knew him barely 4 years...we knew and loved him for 54 years. The funeral was rushed to the point family from out of town and out of state can not attend. My brother would be very upset about this ! We will have a celebration of life for him..we

*will carry out his last wishes because we love him and ALL of his family.
I cant let these untruths and left out family members be my baby Brothers last imprint on his life on Earth.
With much sadness & lots of love Teri Ann*

Thank you for setting it right. Ava and Asher deserve to be mentioned. He deserves the funeral that includes everyone from his many chapters. This isn't the Diane Thomas show. This is about Jim. The whole thing feels very against his wishes.

Thankyou Kevin and yes so many chapters of his life were just ignored.. Trevor and Brenton were left out as well. There is only one Diane Baugh and its not her ! Im so so sad and sorry for our WHOLE family in every chapter !!! We know this was NOT his wishes.

Teri Ann, I really don't think this is the time or place to share the "family dirty laundry" as they say, ESPECIALLY on your brothers Obituary Tribute wall.

Cheryl you might want to mind your own buisness. The lies are now corrected on the death certificate ..his kids can now claim his belongings and she had no right to lie or pay for or rush this funeral. He was our family not hers. If it were your Dad, Brother, Uncle would you be happy if this were done to you ?? Jimmys kids are devested and he would NOT be happy with what she has done to them. So the only "dirty laundry" is from this liar of a woman who hijacked my Brothers funeral and claimed to be his wife. No shame in correcting the truth for any of us !

This is the REAL Diane Baugh...and what she's done to my kids will be blasted from every voice in his REAL family from here on till her dying day...To deceive people is unforgivable and write a fake obituary let it b known there is ..and WAS only 1 Diane Baugh and 1 imposter..I truly don't want to b mistaken for her

The Real Diane Baugh - July 05, 2022 at 09:52 PM

Our family stands strong...every chapter matters and we stand on the truth. Who would we be if we didnt try to correct this for Jimmy..for all his children and grandchildren ???This was the only place we could get the lie corrected on the death certificate and let the truth be known. We are not letting this woman disrespect our family like this. There is ONLY ONE Diane Baugh and we love her deeply. You only have one life and one death....Jimmys special day was hyjacked on the basis a lie and it had to be corrected here and today or it would have been too late. For those that are judging us...put the shoe on the other foot...how would you like it to be done to you. If we can save one single person from this kind of heartache...its served its purpose beyond our pain. This is a horrible time for us and this was just cruelty on top of emense grief. We live you Diane Baugh and thankyou for your support.

To the Pastor

Diane Thomas admitted to the funeral home they were not married thats how and why the death certificate was able to be changed to Jimmy being listed single. She is refusing to give his children his personal belongings... She is far from a Christian woman. She treated his children like strangers today. You know him so well yet you mis pronounced his name thru the whole service . My niece finally yelled out the correct name at the burial.

This funeral was not what he wanted...Diane Thomas stole our rights as his immediant family and our family will seek legal advice as to how this crime was allowed to happen and this is a crime. Our family will carry out his last wishes and seek to recieve his personal items and the ashes of our Uncle that she is refusing to give to the family. No one is blaming the church but it may serve you well in the future to confirm important information so this never happens again to anyone else in their time of grief. My brother didnt write the obituary...she did...she lied publicaly in many aspects and that is fraud. Had she not lied about being legally married to the funeral home...my brother would be cremated and with his children where he wanted to be. Sincerely , Teri Kinney
