

Joyce Wymore

December 5, 1952 - January 25, 2021

Joyce Ann Wymore, 68, of Ames and formerly of Oskaloosa, passed away January 25, 2020, at her home in Ames, Iowa.

Joyce was born December 5, 1952 in Ottumwa, IA to Lester Dean “Red” and Helen Louise (Warnock) Snowbarger. The family later moved to Oskaloosa, Iowa with her younger brother Ron. She met her high school sweetheart Lee in high school band, and graduated from Oskaloosa High School with the class of 1971. Joyce then attended the University of Northern Colorado, and for a year Lee wrote her a letter every single day until he joined her in Colorado for college. She graduated with a bachelor’s degree in Preschool Education in 1975.

Joyce was united in marriage to Lee Allen Wymore on August 9, 1975 in Oskaloosa, Iowa. Joyce and Lee lived in Fort Collins, CO, where she taught preschool at the Loveland Day Care Center from 1975 to 1978. They then lived in Ithaca, NY, and Montreal, Quebec, Canada, where she focused on raising their two children, Meghan and Mathew. In 1990 the family moved back to Oskaloosa and she taught at the Mahaska County YMCA preschool. Joyce then served as librarian and then secretary at Webster Elementary, and then Oskaloosa Elementary until her retirement in 2012. After their children settled in Ames, Joyce and Lee followed them and Joyce oversaw the remodeling of their “Ames” home.

In her youth, Joyce played oboe in the band and served as Worthy Advisor in Rainbow Assembly No. 171. Later she spent many years as a Girl Scout Troop Leader. She was active with the Oskaloosa High School Class of 1971, helping plan many reunions. Joyce enjoyed the company of her “girlfriends” and Bunco nights. She loved traveling with friends and family around the United States (especially Arizona) and Europe. Joyce also enjoyed camping trips, particularly to Poudre Canyon, CO, where she and Lee began camping in college and returned many times. Yet her real passion was her family, and becoming a “Mimi” to her beloved grandsons Henry and Alex was her greatest joy in life. She very much anticipated the upcoming arrival of grandchild #3.

Joyce is survived by her husband of 45 years, Lee of Ames, her daughter Meghan (Jonathan Brand) Wymore Brand of Ames, her son Mathew (Megan Henson) Wymore of Ames, her two grandsons Henry and Alexander Brand, grandchild Wymore-Henson “on

the way," her brother Ron (Jackie) Snowbarger of Hiawatha, IA and three nieces, Jennifer Comfort, Elizabeth McBurney, and Jessica Snowbarger.

Joyce was preceded in death by her parents and her sister-in-law Carol Snowbarger.

Memorials can be given to Mahaska Health Foundation (with a memo to the Infusion Center). As she received treatment for her endometrial cancer, she very much appreciated the care and support she received from the infusion nurses and other staff at the Oskaloosa Cancer Care and Infusion Center and the Mercy One Cancer Center in Des Moines. She grew to see these dedicated professionals as friends.

A private family memorial service will be held. Langkamp Funeral Chapel & Crematory has been entrusted with Joyce's arrangements.

“ *Joyce was such a strong woman and I had much respect for her. As the secretary at Webster Elementary, I recall her energy, humor, and wit! Joyce was always on top of what ever was happening in that school. She will be sorely missed but God has his plans, which we must accept. Rest In Peace, Joyce.* 🙏❤️

“ Joyce and I have been friends and classmates since second grade. We married classmates, Lee and Randy, who were also friends. Joyce and I started up our friendship again in 2015. We met for lunch in Des Moines several times and it was always a fun time catching up with lots of laughter. During the last two years we had been using messenger as a way to keep in contact. I was diagnosed with cancer first and then she was. Our conversations from then on were about treatments, doctors, our wonderful caregiving husbands, and times with our children and grandchildren. She inspired me with her positive words and sense of humor. She said I inspired her so we both helped each other. Joyce was a genuine and wonderful friend. She would do anything for you. I am so sad at her passing and I'm going to miss her so much.

“ Lee and family,
I won't tell you anything you already do not know, but it helps me to share.
Joyce was:
Very proud of all you.
The Heart and sole of the class of 71
Without a doubt one of the most genuine people I have ever known in 67 years.
God has blessed her, may he also bless you since he has her and you don't, but you will all see each other in do time.

“ I had first met Joyce when I was student teaching in kindergarten at Oskaloosa Elem. She always wore a smile and made me feel so welcome. Later when I began traveling with EF College Study Tours through Indian Hills I got to know Joyce even more and loved traveling with her. She brought a wealth of knowledge to our trips through her many books she would read before the trip and bring along. I will cherish the friendship and think of her as I travel this big world. My deepest sympathy and prayers go out to Lee and the rest of the family! She will be dearly missed by so many. May God comfort each and everyone!

“ My heart just aches thinking about the beautiful life that has been lost. I remember every morning while my mother worked with Joyce I would go into the office and hold the door for all the teachers and just talked about anything and everything. I also remember being able to decorate her office window with each new season. And talking with her each day made the wait for the bus so enjoyable. She was always so bright and kind. I loved being just in her presence made me so happy. I remember taking a trip with her to Wisconsin to see the Keiffers and we had so so much fun. I cannot say enough good things about Joyce. It's impossible to do so. She will be so dearly missed.

“Joyce was not only a great business client, but also a neat lady with a dry sense of humor, and a perfect match for Lee! I always enjoyed communicating with her. She didn't answer the phone with hello, but "Hi Barry" in a positive upbeat tone. She always liked to compare notes about each others Grandchildren. She will be missed by many, and she is and will continue to be in my prayers! Her suffering is over and she has gone home to the Lord! Praise the Lord!

“Joyce was my first childhood friend when we moved from Ottumwa to Oskaloosa. I'll always remember our girl scouts and summer camp at Lake Keomah; playing together with Karen Berkemeir, North A and B Streets had a great bunch of kids making wonderful childhood memories. Her kind and gentle manner are well remembered. May the memories her family and friends share bring them peace, comfort and laughter to help ease their loss. She will be missed. You were blessed with a well-lived life my friend.

Joyce was a special friend. In high school we were on the girls golf team. One day during practice at Edmundson the song, Cecelia You're Breakin My Heart, came on the radio. I remember acting goofy with her and dancing around the course with her. That became a funny memory for us over the years. Joyce always had time to listen and to be genuinely interested. Such a sweet,intelligent,loving friend. May you rest now, peacefully.
