“ *My family had many good memories shared with Kay and her family. My oldest brother, Pastor Steven Crile, was best friends with Max. We attended church at Rose Hill and later at Tioga. Kay was very dedicated to our little church. Some of my favorite memories are of Tioga. Sympathy and blessings to Kay's family.*

“ I have many wonderful memories of Kay. Remember when her parents owned the hardware / grocery store in Rose Hill. Many Friday and Saturday nights were spent in this quaint little town going to the movies in the old building on the corner with hard benches for seats or just sitting in the car parked in the middle of the street talk to ng and watching all the folks (mainly boys) coming from nearby towns cruising. We attended Rose Hill Community Church and later Tioga Country Church. Alberta, Kay' s mom, always had us over for refreshments after church in their big 2 story house on Sunday evenings. On one such occasion, Kay and I was making fudge and both stirring over a low heat. I lifted my spoon and got the mixture which was very hot by this time all over Kay's hand blistering it. I think I may have done this on purpose thinking it was funny and not realizing how hot it was. So sorry Kay, that was horrible.. Think we put butter on it which probably made it worse! I have always bee very proud of Kay and all her successes even tho she faced many challenges. She has always been very pleasant, never complaining and especially smart with numbers. Even became County Auditor. May you rest in peace dear cousin...and enjoy your reunion with your family. I remember so vividly when you lost your cute curly headed little brother and your wonderful dad at such a young age. Your dad was buried on my birthday. Through it all you are home at last!!

*Many fond memories of my cousin Kay. I remember when her family lived in Rose Hill and owned the hardware/grocery store in the center of town. Many Friday and Saturday nights were spent in this quaint little town either going to the movies or just sitting in the car parked in the center of the street, talking and watching all the visitors (boys especially) coming from other small towns in the area. We also attended the Rose Hill Community Church and Tioga Country Church in our younger years. Always went to her mom Alberta's house for refreshments after Sunday Eve services. Was so much fun, but do remember one Sunday night Kay and I was making fudge together and stirring it as we were cooking it on low heat. I raised my spoon up and the hot fudge got all over her hand blistering it. So sorry Kay...we put butter on it, probably made it hurt worse! She was always very sweet and so smart with numbers. I told her many times how proud I was of her. She became auditor for Mahaska County and that was a big job. Even with all the challenges she faced, she was always pleasant. Rest in peace dear cousin and we will miss you but rejoice that you are with your Lord and Savior never to suffer again. And what a wonderful reunion with all those gone before you. We take comfort in knowing you are home at last
God bless your family with strength and courage during this time!!*
