“ *I worked with LeRoy and Jane in their move to Osby. They were so excited about their new home and were an absolute pleasure to work with. In the years since moving in, every time I ran in to them they were always so happy and appreciative. He was a devoted husband to Jane and treasured having his Grandsons around. He will be missed.*

“ *We will miss seeing LeRoy around the neighborhood. We always enjoyed visiting with him and listening to his stories about growing up in Indianola, his life in California and working for the government. We went golfing with him a couple of times and he was pretty patient with me as a new golfer and very encouraging. We are sorry to hear of his passing.*
