“ My thoughts are with you at this difficult time. . I remember your Mom so well from going to Elm Grove myself . Both of your parents. were very involved in the school . If I recall right my Dad ( John D Morgan} and your Dad was on the school board together. Your Mom always had a smile. Our thoughts and prayers will be with the entire family now and for days ahead. “ We enjoyed Louise she was happy and laughing or smiling most of the time! I will always remember playing high low,,left Right center,bingo and doing crafts with her! We would come visit when we could and she loved reading she said she didn't use to read but once she started she loved it! I brought book's and left them for her to read then picked them up. Louise would save me her reader's digest when she was done with them. .I could go on and on until we meet again thank you for being our friend!! *John and Marilyn Isley*
