“ *I know that Marlene was a great mom for Mary and Mark, but she was also the neighborhood mom that loaded us all up in her Chevy station wagon and ferried Mary, Bruce, Roger and me from school as grade schoolers in the days before we were allowed to ride the bus. She was a concerned parent, but also knew how to laugh when Mary drove her car into the ditch by the radio station—with Karen up front but me safe in the back laughing LOUDLY/obnoxiously. (Marv was a little more stern in his reaction). And who can forget the queso and chips that she always had ready for us on movie night after we made a trip to town to rent videos (in the days when people actually did that). She graciously looked the other way when we used the kitchen drawer handle as a “pop bottle” opener...a trick that Mark invented. I very much regret that I didn't stop in DMS and say “hi” in the recent years. Just mentioning “Marlene” brings a lot of great memories of a great, caring and kind person. I am sure that for her grandkids she was a great grandma! You will miss her I am sure, but you were blessed to have had such a great and kind person for a grandma.*

*My sincere sympathies to Mary, Mark, the grandkids and all who knew and loved her.*

“ Our hearts are saddened to hear about Marlene's passing. We Loved her like family. We looked forward to every November when we would take OUR mother Norma Bolles to winter in Arizona. Marlene always greeted us when we arrived. Her "Puff Pillows" dessert were delicious and we always looked forward to them when she would have Norma bring some back at Christmas. Rest in Peace dear lady we Loved you!

“ My fondest memory is all the years in 4-H. So generous with her time, and patience with adolescent girls. I always loved talking with her. Marv and Marlene- always the pair that went together. She made an impact in the lives of so many people. My sincerest condolences.

“ When I was at Calvin College Marlene and Marv came to my dorm and offered me a ride to Pella. They were in Grand Rapids to adopt a new baby boy. I couldn't believe they let me hold Mark all the way to Pella! Of course now I realize it was safer in the back seat than in the front. Baby car seats weren't used back then.

*Good Bye my dear friend. We had such wonderful conversations in the pool at 7:30 a.m. weekdays at OWS. When we all left for our summer homes I always knew that you would call for a chat a few times over the summer. I will miss you so much. I know that you are united with Huggy Bear again and you are both in God's loving care now.*

*Mary and Mark.....i remember how thrilled your parents were when they brought you home. You kids were so special to them. Jay and Marv taught some years together and then he stopped at our house so often as he sold insurance etc. such Good memories. We and they actually slept on the floor of Verteran"s Auditorioum during a snow storm at a girl's BB tournament. We got home the next morning. Your grandpa Dielemans were with us too. Marlene was our first Director of nurses at the new Pella hospital and she hired me. She was a great nurse and director. More good memories . May God wrap His loving arms around you and give you peace as only He can. H e will whisper "I will never leave you nor forsake you"....a precious promise. Due to weather I could not get to see you in Osky. and I am sorry about that. Sending love and sympathy and special memories. Audrey Veldhouse*

*Mary, richest blessings to you and prayers for you and yours in the loss of your Mom. I enjoyed getting to know your parents in high school and I appreciated Marlene's dry sense of humor and caring heart. Hope this finds you well and may God grant you the embrace of His arms on those days when memories of Marv and Marlene bring tears....of both joy and sadness. Take care.
