“ *Beth, my thoughts and prayers are with you and your family.*

I've known Phyllis since I was a little girl. My cousin Cathy and I used to go to Bible School every summer with my Grandma, June Silvers, and your mom was one of my teachers. She was always there, every year to welcome us all. That is how I met you too Beth. I remember that you lived in another state and that your mom was so proud of you. May God bless you and hold you in his loving, caring arms.
