“ *Debbie, Mary Lou and Family*
I just wanted to share my condolences to everyone for Randy passing away. I know the last few years have been especially difficult for Randy and his family as he struggled with dementia. I last was able to see Randy at my mothers 80th Birthday party some 5 years ago now. I have many fond memories of Randy from playing football together at OHS, enjoying Church Softball during the summers, and seeing him at church when I was visiting Oskaloosa again. He always smiled when we talked. I really enjoyed seeing the Journey Through Life of Randy’s time with friends and family. Randy’s faith in God will be forever, as he enjoys his new body in heaven.

“ A true Gentleman is the best way to describe Randy. He always made sure that he made sure that you were the most comfortable person in the room no matter where you were or whom you might be. I have always admired that quality Randy possessed. Few people have that ability. Randy & I were friends for more than 30 years, we worked together, hunted, fished, golfed, traveled, among many others activities. We shared our life experiences together. He was a true friend of mine, and I will miss his company & companionship. My heart & prayers go out to Randy's family.
