“ Don and my father were best friends in high and in the years following. When he married Retha, Don and she became my parents' good friends until my parents' deaths.

My mother always said Retha was the best thing that ever happened to Don. She was incredibly kind and generous to me and all my family. Always. My husband adored her, and she was always so very sweet to him.

I loved our trips to the mall in Des Moines, our girls' lunches and dinners. She always had something kind and positive to say about everyone. When I last saw her at her 90th birthday party, she looked like she was 50 years old at the most. She was radiant, charming and as positive as ever.

I will miss her so much. She was a wonderful role model. I will never forget the many things she did to help me when I was struggling with serious health issues. I only wish I could have spared her from the health difficulty she's endured over the last few years.

Her wonderfully supportive family and friends will miss her, but we know she's safely home now. And we'll see her again. Love and prayers to her family. Niece, Linda Bosso
