“ Richard and I worked together for a brief time at Pella Corp. Since those few weeks back in the late 1990's, we would visit every time we'd bump into each other either at the model RR events at the Mall or while dining at Taso's. He always had a story or two to share and I will miss him. My condolences to his family.

“ Richard, Jim, and I were all members of the Model RR club at the Penn Central Mall that met every Monday nite. Afterwards we always went to Taso's to eat n met up with Daryl n Jo Scott, and a fun time was had by all. I always thought that he'd gone to college. He was gifted with so much knowledge and a great memory. We have missed those nights since the club closed. Heck of a Great guy. Peggy Hoyt
