“ Uncle Bob was always the life of the party. I got to work with him on the Chillicothe power plant. He was running a scrapper and I was running a sheep foot tractor. Uncle Bob said “You better watch out for me cause I’ll run your little butt over if you don’t!” Lol
Uncle will truly be missed. Rest in Peace Uncle Bob

“ Kelly and I have many happy memories of Aunt Tillie & Uncle Bob. Always lots of fun & laughter. Kelly’s special memory of both of them was when he working construction with Bob in the summer to pay for college. Aunt Tillie was the best cook ever. She packed great lunches every day. When it rained & they couldn’t work, Kell & Bob went fishing!! Kell slept in their camper. They both were precious!
