

Steven Walters

January 7, 1948 - October 25, 2022

Steve Walters, 74, of Oskaloosa, passed away Tuesday evening, October 25, 2022, at the Cottages in Pella.

Steven Jason Walters, son of Jesse Jason and Dorothy Jean (Bolton) Walters, was born on January 7, 1948, at Mercy Hospital in Oskaloosa, Iowa. Steve was born a hard worker, and his first job was delivering newspapers as a young boy. He attended the Bussey Elementary School, was a 1966 graduate of Twin Cedars High School, and attended Centerville College. Steve met the love of his life, Jacqueline Monica Toigo, at a young age. By delivering newspapers and working at the Bolton Grocery in Bussey, he acquired enough money to buy Jacquie an engagement ring. They married at the Bussey Methodist Church on October 29, 1966. After living in various locations around Iowa, they settled permanently in Oskaloosa in 1971, where they raised their two sons.

Steve operated heavy equipment for a time and then managed Thorp Finance for eleven years. His early experiences working as a farm hand and for his father's concrete business, J.W. Concrete, helped him launch Stevens Concrete Limited in 1979. His jobs included numerous community improvement projects, building trade areas, commercial concrete, steel buildings, sewer work, and a sod farm. He was also the owner of Heartland Center, held a seat for many years as a bank board member at Bank Iowa,

and was a licensed real estate agent. He built substantial structures and built both of his family homes in Oskaloosa. He also helped many other businesses with their expansion projects. Steve's passion for life was to help others, and he always had ample time to spare to visit with his many friends and customers throughout his life. Steve will always be known as a community servant, and his work was imperative for the ease of daily life for numerous communities. Creating concrete benches and placing them around various community locations gave him great joy.

Steve's true calling was to love his family and friends and always be there to assist in any way necessary. Cooking, traveling, scuba diving, and flying his plane brought him great happiness. He found much peace in farming and hiking his rural property. His children's and grandchildren's accomplishments brought his heart immense joy, and the times spent with them were his most cherished moments.

Steve's family includes his wife of 56 years, Jacque Walters; sons: Shawn (Stephanie) Walters of Grinnell and Chad (Tara) Walters of Oskaloosa; eight grandchildren: Jorie, Aubrey, Jace, Shayna, Callie, Caitlyn, Jaxon, and Dawson, and his mother, Dorothy. Steve is also survived by his siblings: Nancy (Jim) Sparks of Oskaloosa, Susan (Bob) Gullion of Pleasant Hill, and Todd (Melody) Walters of Knoxville.

Steve was preceded in death by his father, Jesse Walters.

A visitation for Steve will begin after 2 p.m., Friday, October 28, 2022, at Langkamp Funeral Chapel & Crematory; the family will greet visitors from 4-6 p.m. As was his wish, Steve's body has been cremated, and the private burial of his ashes will be in St. Peter's Cemetery near Lovilia, Iowa. Memorial contributions can be made to St. Jude's Children's Research Hospital or the Alzheimer's Foundation.

“ Met Steve and Jacque working at Hawkeye Lumber in high school. What a fun couple, they both would help load their materials every time and don't get in there way of those two both were well versed in hard work. Steve was my life long buddy from those days and you could count on him any time you needed him with no questions asked. He would loan me his skid loader at Lake Keomah and enjoyed a cold one was his only payment and compare notes on his many projects. He was one special guy and Jacque and Steve raised two sons that are a mirror of both. Jill and I are keeping you in prayers. Jeff&Jill Ferguson

“ Steven was a man with a humongous heart. He saw more in me than I ever did. He taught me more in life than I am sure he ever realized. I had the pleasure of working for Steve for 16yrs. Although he would always correct you and say, you never worked for him you worked WITH him. Every year on my work anniversary he would call me to come out to what ever field he would be combining and tell me to hop on up and take over the wheel. He wanted me to be in his happy place and told me I needed a break from the store. He was my advisor, my dad at times lol and my friend. Him and his wife Jacque are two people I will always love and respect. They have helped me and supported me through both good and hard times in my life. One day Steve and I were out on a walk at his favorite spot (his cabin) and he picked up a rock that he thought was pretty and handed it to me to keep. I still have that rock displayed on my fireplace to this day because he gave me that rock. It may look like just an ordinary rock to others but it is a piece of Steve to me. Steven and Jacque are two very special gems ❤️
