“ Several years ago I came in contact to Thelma’s son Robert through Ancestry. When Robert heard that I was going to Oskaloosa to do genealogy, he put me in contact with his parents. I had such a wonderful time visiting with them and Thelma was gracious enough to share her memories of my great grandfather. I’m so grateful that I was able to meet her and I treasure the memories she shared. I have lost Robert’s information but want to send my condolence to him and his family. I would love to correspond again regarding our families history.

Sincerely,
Colleen Patrick-Lilly
